## **WINTER HIKING AND SLEDGING**

+ fun puzzles and  
drawing activities,  
a competition and  
a funny adventure

Hello,  
I'm Lily!

Welcome to the  
Jungfrau ski region.

There can be no question: if you're looking for fun in the snow in the Bernese Oberland, Grindelwald is the place to be. Here, skiers and snowboarders of every level will find the right environment to practise their first turns or perfect their jumps.

I love hurtling down the cool pistes on skis or a sledge. My favourite piste in the Jungfrau ski region is the Lauberhorn downhill, the longest downhill course in the world, and one that famous skiers regularly race down,

too. In the snow park on the First, I try out the latest tricks on my snowboard. It's so much fun! There's also Lily's exciting winter treasure hunt, and while I'm on the First, I test my nerve on the First Flyer. It's so fast and the snow-covered mountains all around make for the perfect backdrop!

Did you know that you can do more than just sports up here? It's also a great place for a party! Come to our SnowpenAir festival on 25 and 26 March 2023 and dance with me to the bands' cool music. It will be great!

See you soon,  
your

Lily

Lily's Winter Treasure Hunt

**SWITZERLAND'S BIGGEST TREASURE HUNT IN THE SNOW  
ON 18 MARCH 2023**

Chests full of gold and diamonds – who hasn't dreamed of finding a treasure trove? Every year at the end of the winter season, this dream becomes a reality and the First summit station becomes an Eldorado for treasure hunters. Young and old alike romp around in the snow on Switzerland's biggest treasure hunt and dig for all they're worth.

Whoever finds one of the 30 coveted chests can collect their prize in Grindelwald – fame and glory included.

For more information, go to:  
[jungfrau.ch/schatzsuche](http://jungfrau.ch/schatzsuche)

Once the winter season is over, you can do  
**Lily's Treasure Hunt on the Schynige Platte**  
again from 1 July 2023.

I'm looking forward to seeing you!

## Christmas tree decorations

Lily has decorated her Christmas tree. Can you count how many candles, baubles and candy canes she has hung on it?

--	--	--	--

SOLUTION: 17 candles / 9 yellow baubles / 9 blue baubles / 11 candy canes

## Lauberhorn downhill

Lily and her friends are taking part in the Lauberhorn race. But only one of the four reaches the finish line. Can you work out who it is?

# Lily COMIC Tracks in the snow

Lily is really looking forward to this weekend with her friends. It will be packed full of adventure.

THIS IS HARD WORK!

They have to carry all their stuff to the ski area.

YEAH, WE'RE OFF!

They quickly put their winter boots on. It's going to be a long walk...

...as they want to try out the Jungfrau Eiger Run sledging route.

They set off walking through the snow.

PUH, THIS IS EXHAUSTING!

Having arrived at her destination, Lily falls back on to the snow, exhausted but happy.

YIPPEE, A SNOW ANGEL...

HMMM...

Lily and her friends discover something strange. But who made this absolutely enormous snow angel!?

They find some even stranger tracks and decide to follow them.

OOF!!

GOSH, look how high up we are!

After the huge surprise, they invite their new yeti friend to try out the fantastic sledge run with them.

They float up to the Eiger Glacier in the Eiger Express.

Wow! What a day.

THE END

## Animal tracks in the snow

Lily has discovered lots of tracks in the snow. Which animal do you think they come from? Connect them up with lines and colour everything in.

What do your tracks in the snow look like?

Take a look at the sole of your shoe and draw it here.

## Hungry birds

It's hard for the birds to find food in winter, so Lily wants to feed them. Will she find the right path to the hungry birds?

# Snowflake puzzle

Lily's new yeti friend loves counting snowflakes in a snowstorm. He has come up with a difficult puzzle for you. Count the numbers of the different types of snowflakes, enter them in the circles on the right and try to solve the puzzle. It's tough, but I know you can manage it.

All correct answers will be entered into a draw for the following prizes:
